****Limited seating available, so order soon!****

Enjoy this exciting mystery dinner where you'll be part of an open casting call—along with some “famous” (and not so famous) actors and actresses who are auditioning for a new movie entitled ‘Peril of the Prodigal Son.’ The director has made unrealistic promises to potential cast members and

financiers. Will he stay true to his obligations? Or will his betrayal lead to his demise? If so, are you the “Expert Sleuth” who can solve the crime?
