

It's Caramel Week

**The week of February 16th is our
Annual Caramel Project.**

**Look for sign up sheets that are in the church Narthex,
or call the office to get your name on the sheet.**

**We will need help with cooking, measurers, stirring the
pots of very good smelling caramels.**

**There is also help needed in the cutting room and you
all know we need helpers to wrap, wrap, wrap.**

**So please if there is any time you can spare come out
the week of February 16th, there are always good
stories to listen to and a great time to socializing.**

**On the back of this flyer is an order form, feel free to
call the office (717-273-3912) for more when this one is
filled.**

Thanks

June & Steve
