

BEAT THE RUSH-FIND A CHURCH....NOW!

Hundreds of different denominations claim to be following Jesus Christ. Yet they teach different "gospels" and disagree on countless points of doctrine that are not negotiable. Is Jesus Christ the Head of all these denominations? Is Christ divided? Absolutely not! Is there a true Church of God that stands apart from this religious mess? Most main line churches don't even know what they believe, so how can they teach you? I think there are a few, true, New Testament Churches still around, but how can you recognize God's true Church? Have you ever wondered why you were born? What your future will be like in the afterlife? What you will actually be doing for all eternity? Will you sit around all day, playing a harp? Will you be forever separated from God? Or does God have something far more awesome and wonderful planned for you?

Have you ever wished you could find a Church that truly believes and understands the truths of the Bible—how they apply to today's headlines and the future events that will affect your life? Have you searched for a Church that could help you understand the genuine meaning of life itself—and could explain where you and your nation will be headed in the next few years? Have you ever wished that you could find a Church where the minister actually preaches right out of the Bible and helps you "make sense" of its words—including its many specific prophecies? Do you long for a Church where some of the members bring their Bibles, and where everyone actually believes what the Bible says and is trying to live by the true "first-century Christianity" that Jesus Christ and His apostles lived and preached?

Have you hoped to find a Church where people of all backgrounds are accepted with warmth and love, and where Christ's command to love one another is reflected in the "family atmosphere" when church members gather for worship and fellowship? Well, there IS NO PERFECT CHURCH, however, there are a few local Churches that genuinely believe in the divine inspiration of the Holy Bible and are actually trying to do what the Bible says in every phase and facet of life. A Church that has no other authority that takes the place of the Bible on anything. This real Church is not a building or a corporation or an invention of human beings. It is NOT an "organization", but rather a Spiritual Living "Organism" with a history going right back to Jesus and the apostles. It is a very small Church—in numbers....the "little flock" described by Jesus in (Luke 12:32)—but it has always existed since the time of Christ and will exist at the end of the age when its faithful members are taken to a "place of safety" (Revelation 12) before the Great Tribulation actually begins.

Do you want to be part of such a Church, whose members will soon become the kings and priests helping rule this earth under Jesus Christ? (Revelation 5:10). Very soon, the judgment of God on this earth will begin in earnest. People will flock to the church by the millions....but the true Church will be gone! Do you see society becoming more evil day by day? That's one of the signs that "He, (Jesus), is standing, even at the door." Beat the rush, and don't miss the rapture! Ask God to help you find a Bible Believing Church NOW, before it is too late!
